Sir:

INTRODUCTORY COMMENTS

This reply is in response to the Office action dated August 16, 2005. An amendment of the title and claims is included herewith in order to remove certain terms that may be misconstrued or misunderstood. Moreover, an election of a group of claims pursuant to a restriction requirement, and a traversal of the restriction requirement are provided in the remarks following the amendment.

Please amend the application as follows in the identified sections of the application:

In the Specification

An amendment of the specification is shown in the section entitled "AMENDMENT TO THE SPECIFICATION."

Application No.: 10/772,382
Examiner: John T. KAVANAUGH
Art Unit: 3728

In the Claims

The claims are amended as shown on the following pages under the heading AMENDMENT OF THE CLAIMS. The list shows the status of all claims presently in the application including any current amendments. This list of claims is intended to supersede all prior versions of the claims in the application. Any cancellation of claims is made without prejudice or disclaimer.
